District 4 Newsletter

Greetings Brothers and Sisters of District 4:

All Auxiliaries will be notified regarding their Official Visit/Inspection. We ask that everyone cooperate with the individual assigned to conduct your visit as there is a specific timeframe in which all inspections must be completed. As a district, we would like to meet our deadline and appreciate your assistance in making that happen. Please refrain from changing meeting dates whenever possible. The members assigned to conduct Official Visits and Inspections work within a limited schedule and rescheduling meetings can make it much more difficult to meet required deadlines.

As a reminder, your Health & Happiness donations for the VFW National Home are due September 30<sup>th</sup> to Department treasure Kim White, these funds are used to help provide Christmas gifts for the children at the National Home and assist them in purchasing gifts for their families during the holiday season.
