District 4 VFW Auxiliary Department of NY

A Holiday Message

-November & December — A Season of Remembrance, Gratitude, and Hope

As these months approach, we enter a season filled with family gatherings, celebrations, traditions, and reflection. While many of us look forward to Thanksgiving, Veterans Day, Christmas, Hanukkah, and the New Year, we must also remember the brave men and women who have served our country and those who continue to serve far from home.

Lets all remember our veterans, active-duty service members, and deployed military personnel: let them know we thank them for their courage, sacrifices, and dedication to protecting the freedoms we hold dear. Their service matters every day of the year, not just on a holiday or a special occasion.

This holiday season, may we continue to stand together as auxiliaries , extend a helping hand, offer a listening ear, and remind every veteran that they are never alone and never forgotten. We got them !

The Department has several Zoom trainings : and they are available to all to watch - on theVFW.org page and can be found under the resources page.

Don't forget our deadlines for the 990n to the IRS is November 15th.

December 31st all presidents and Treasurers and Secretaries need to have dues paid.

And Membership is very important - let's get our district up to 100% - I know we can successfully achieve and go beyond that number.

We also post all fliers and events for District 4 and beyond on our social media page - stay updated with all our Activities in our area and at various posts . Let me know when you have an event - let's get word out and support each other.

Lastly- I wish everyone- a very safe and happy holidays....

Robin - District 4 President
