

The District 4 Convention is scheduled for Saturday, May 2, 2026, to be held at the Lewis County Memorial VFW Post 6912, located at 7744 W State St, Lowville, NY. The District 4 Adjutant sent the following VFW agenda:

Joint VFW and Aux Memorial service: Beginning at 10:00 am. Leah Peyton will receive the Teacher of the Year award for securing first place among grades 6-8. Then they will break and begin their meeting. Our official **blue shirt and black slacks** are the attire for our meeting.

A joint installation is the call of the incoming District Commander. They want to do theirs as soon as their meeting is over prior to the luncheon unless we are ready then to.

I am asking the trustees to be prompt as we need to do our audit prior to the meeting. Also, you must have held your elections and turned in the incoming delegate sheet to our Secretary Jane Reape. Please be sure you are prepared as these delegates are the ones who hold your vote for the election. Registration is \$3.00 as this is the convention. Emily Spatto, who won our VOD competition, placed twenty-third in the nation and received a \$2000 award. It's hard to believe this year is ending and we will be having our elections again for the incoming year 2026-2027. I appreciated the opportunity to engage with each Auxiliary, and I developed numerous new relationships. Last week you received a letter saying we were doing a Bake Less Bake Sale for the District Ways and Means as the last fundraiser for this year.

Also, a reminder for the donations to the Special Project: which is Clear Path for Veterans and the weekly luncheons they provide on Wednesdays. Please check to be sure your Auxiliary took care of this and mailed their check. You can also still bring any donations to the District Convention.

Apologies for the delay. Please share this information with your members.

Loyally,  
Marcia Williams  
District 4 Auxiliary President
