OOPS!

What's all the BUZZ?
You missed OMTI?
Don't Get Left in the Cold Hive!

Never fear — this busy scout bee didn't leave you out in the cold!

Enclosed, please find your **Emergency Pollen Pack** for the VFW National Home Program,
fresh from the hive:

In your honey stash:

- **PowerPoint Presentation** (the whole hive's story, slide-by-slide)
- **PDF Presentation** (for those who prefer to read in the comb)
- **Talking Points + Q&A** (so you sound like you've been buzzing there all along)
- **Cheat Sheet: Ways to Attain Program Participation Credit** (aka: How to get your golden honey stars from Department!)

No need to wing it — we've got the nectar, you just share the buzz!

**Bee-lieve in the mission, bee-long to the hive,
and keep our National Home Program buzzing.**
