## Cancer Grant Donation Fund of the Department of New York 2024-2025 Instruction Sheet for Auxiliary

Sustaining the Cancer Grant Fund relies on donations from our Auxiliaries and this year it is your decision and can be processed through your meeting and vote by your members.

Your donation process should be:

- President should address the Auxiliary's Cancer Grant donation and allow discussion by the members present at the monthly meeting. Upon agreement of an amount, the President will entertain a Motion, second and vote to approve the agreed upon donation amount.
- Secretary should record the business transacted, the motion, who made and seconded the motion and whether carried or lost.
- Treasurer will process the result of the motion to donate the Auxiliary amount through MALTA.
  [Refer to the Sheet of details for Auxiliary Treasurer on how to 'Make a Donation' enclosed]

Your Auxiliary Donation through the Gift Entry of MALTA will earn your participation in the Cancer Grant Donation Fund of the Department of New York.

Because of the time lapse of MALTA reporting back to the Department of whomever or whichever Auxiliary has made their donation, I would like to make a request. Would you send me a notification, either by email, phone call or note, as noted above ... of your MALTA process? Please provide:
