Women's health care is provided at the 13 VA Medical Centers in New York State. There are various services provided.

Some of the service is called "Whole Health-It's all about You." Whole Health means the whole you. From integrative health approaches like stress reduction, nutrition, and health coaching to traditional care and complimentary health approaches – your journey to Whole Health starts at your VA Medical Center.

Auxiliaries are encouraged to support the project through a donation on the Donation Report Form found in the Department Program Guidebook. Your Auxiliary is welcome to hold a special event and send your monetary donation to Linda Flanagan, Chairman, to receive participation credit in this program.

President Special Project- Polo Shirts- Pre-order your Polo shirt in support of the President's Special Project. Pre-order forms are included in the Presidents' packet.

Something Different- Coffee Anyone??

We will be selling Coffee mugs for \$12.00 and Travel mugs for \$15.00 with the President's logo engraved on the mugs. The items will be available at OTI, Fall Conference and Spring Conference. All proceeds will benefit the 13 VA Women Centers.

Additionally, in support of our pregnant female veterans, we will also be accepting monetary donations for the baby showers held at the VA Hospitals. Auxiliary checks should be made payable to VFW Aux. Department of NY and earmarked "Baby Shower." Monetary Donations are to be sent to Linda Flanagan, President's Special Project Chairman, 155 Briggs St., Syracuse NY 13208.

In each *Auxiliary News*, I will be highlighting other parts of the President's Special Project, especially the "Whole Health- It's all about You!" On behalf of the female veterans, thank you for your support of our Whole Healthcare needs.

"Soaring Into the Next Century of Service with our Veterans and Their Families" – "From Our Roots to our Branches Extending Service to our Veterans."
